

## Awesome Asks That Engage Your Prospects

We all want new clients and we all want to nurture, connect with and deepen our relationships with prospects and people we meet and follow us.

People buy from people! And we need to pay attention to prospects, and provide good value. So be generous!

Here's a quick list of "Asks" or rather "tell's" that you might use in email marketing, social media posts, and on Facebook "Lives". No need to be stuck and not knowing what actions you can take to get engagement.

Really! OK! Here you go! Ask or tell...
